Subject: Final Approval of Updated Notice of Intention, Energy Fuels Resources (USA), Inc.,
Rim Columbus Mine, M/037/0006, San Juan County, Utah

Dear Mr. Filas:

On March 2, 2010, the Division of Oil, Gas and Mining approved the referenced Notice of Intention to Commence Large Mining Operations (Notice) conditional upon receipt of an increase in the reclamation surety. The Division received the increased surety on March 29, 2010, but failed to issue final approval and to return a stamped, approved copy of the Notice.

The Division approves the updated Notice, and a copy, stamped approved, is enclosed. It includes updates that were made for the permit transfer approved October 16, 2012.

Thank you for your cooperation.

Sincerely,

Paul Baker
Minerals Program Manager
